Deleting a study or submission can be done from either the Study Details page, or the Submission Details page.

Deleting a Study

You can only delete a study if it has no submissions attached. To delete a study, click on **Delete** on the Study Details page.

On the confirmation page, click Delete.

Deleting a Submission

You can only delete a submission prior to the initial completion (when Complete Submission is clicked). If a submission can't be deleted, it can be withdrawn instead.

To delete a submission, click on **Delete** on the Submission Details page.

On the confirmation page, click Delete.
